### TRIBUTE TO JENNIE RACHEL CATRON

### HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

*Monday, November 5, 2007*

Mr. ROGERS of Kentucky. Madam Speaker, I regret that I must inform the House of the passing of a great American in my home community who stood tall on the mountaintop and watched over many people all around her.

Jennie Rachel Catron lived through more tragedy than most people, and in spite of it, showed leadership, stability, strength, love, discipline and direction until the day she left

us at 91, on October 14, 2007. Her lesson to us is that it's not what happens to you in life that matters; it's what you do about it that counts.

To her children, she was their hero. To our community, she was our devoted volunteer. She inspired all of us to never quit and to never be counted out, but to move forward with compassion to put down adversity when it strikes.

Among the many causes Jennie Rachel dedicated herself to were the Daughters of the American Revolution, the Somerset-Pulaski County Rescue Squad, the PTA, the Home-maker's Club, and the Republican Women's Club. Through her efforts the uneducated were taught, the poor got a helping hand, and families were made stronger.

Her life appeared to be that of any wife, mother and then grandmother. But it was not—that life was violently taken away from her. She would lose her husband Harold, the Somerset Police Chief, to a criminal's bullet. And 45 years later, she lost her son Sam, the Sheriff of Pulaski County, the same way. Both times Jennie Rachel was only a few feet away. And both times, revenge was exacted against her husband and son for going after criminal enterprises.

Yet, she managed to build a new life. She devoted herself to her surviving son Lewis, daughter Nancy, grandchildren and great grandchildren. The community organizations she was involved in are too numerous to name.

The order in life that most of us expect, was upended for Jennie Rachel Catron. She rebuilt what was torn down—for her and the rest of us.

Her daughter Nancy read a verse at her mother's request and thus concluded her eulogy. It is a fitting tribute to a fine lady whose spirit is alive when we look across our community and see the good that is there.

Do not stand at my grave and weep:

I am not there. I do not sleep.

I am a thousand winds that blow.

I am the diamond glints on snow.

I am the sunlight on ripened grain.

I am the gentle autumn rain.

When you awaken in the morning's hush,

I am the swift uplifting rush

Of quiet birds in circled flight,

I am the soft stars that shine at night,

Do not stand at my grave and cry;

I am not there. I did not die.

We remember Jennie Rachel Catron.

IN RECOGNITION OF CHARITY A. KANKAM, M.D., UPON HER INDUCTION INTO THE SAINT VINCENT CHARITY HOSPITAL'S SAINT LUKE SOCIETY

### HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Monday, November 5, 2007*

Mr. KUCINICH. Madam Speaker, I rise today in recognition of Charity A. Kankam, M.D., upon her induction into St. Vincent Charity Hospital's St. Luke Society, an honor that reflects not only her superior clinical skills, but most significantly, highlights her daily outreach, care and compassion for the most vulnerable citizens of our community.

Dr. Kankam has been an integral member of the St. Vincent staff for the past seventeen years. She was awarded a medical degree from the University of Toronto, where she completed her residency and fellowship training as well. Dr. Kankam specializes in nephrology and has served as the Director of Nephrology since 1994. She also dedicates her time as a teacher to medical residents and staff. Dr. Kankam's limitless compassion and her dedication to improving the well-being of others reaches from the St. Vincent community to her birthplace, Ghana. When Dr. Kankam learned that Ghana lacked a desperately needed dialysis center, she became the leading organizer in raising funds to build one. Last year, due to Dr. Kankam's determination and focus, a dialysis center was established in Ghana—one of only two in the country.

Madam Speaker and Colleagues, please join me in honor and recognition of Dr. Charity A. Kankam, upon her induction into the Saint Luke Society. Dr. Kankam's expertise in the area of nephrology is outshone only by her compassion and kindness, raising the spirits and lives of every patient into the realm of healing, strength and hope.

IN RECOGNITION OF NORTH HILLS HOSPITAL'S NEW HEART CENTER

### HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, November 5, 2007*

Mr. BURGESS. Madam Speaker, I rise today to congratulate the City of North Richland Hills' North Hills Hospital. North Hills Hospital is opening a new Heart Center that specializes in fast and efficient heart attack care.

North Hills Hospital has been leading the medical world in heart care. It is the first hospital in the United States to accomplish Cycle 2 Accreditation for its Chest Pain Center. The hospital is opening a Heart Center for its patients and will continue to lead the way in top-of-the-line cardiac care.

The Heart Center has been in construction for two years and consists of two operating rooms, 13 cardiac progressive care beds and eight cardiac intensive care beds. All of these rooms are on the same unit, which is helpful for transferring patients, and also for visiting families. The new model of the Heart Center is considered ground breaking in the medical field.

I extend my sincerest congratulations to the City of North Richland Hills and the North Hills Hospital. It is my hope that they will continue to serve patients of the 26th District of Texas with the same care and spirit of service that they have shown throughout the years.
